- Limited Lifetime Warranty

Certifications

Product Details

The Master Lock No. 4718EURDBLK Keyed TSA-Accepted Luggage Padlock features a 15mm diameter metal body for durability. The padlock comes with locking shackle and locking cable. The product design makes the shackle or cable protected by the luggage zippers, unabling a bolt-cutter to access the shackle or the cable. The shackle is 3mm diameter and 30mm long and made of steel for strength. The flexible steel cable is 3mm diameter and 30mm long, offering resistance to abuse from baggage handling equipment. Transportation Security Administration (TSA) screeners can open, inspect and relock bags locked with a TSA-Accepted lock. Lock your checked baggage with the lock TSA screeners won't cut! The Limited Lifetime Warranty provides peace of mind from a brand you can trust.
