- Key retaining feature ensures padlock is not left unlocked
- Keyed alike padlocks
- Limited Lifetime Warranty

Product Details

The Master Lock Excell® No. M40EURT Discus Padlocks feature a 70mm wide stainless steel body for maximum strength, reliability and corrosion resistance. The fully shrouded design minimizes shackle exposure and protects against bolt cutter attacks. The 10mm diameter octagonal shackle is 16mm long and made of Tough-Cut™ boron-carbide, 50% harder than hardened steel, offering maximum resistance to cutting and sawing. The 4-pin cylinder prevents picking and the dual locking ball bearings provide maximum resistance against prying and hammering. The covered keyway offers maximum weather protection, and reinforced body bumper protects against scratches. The Limited Lifetime Warranty provides peace of mind from a brand you can trust.
